Using an edited version of the abstract you created for Assignment 1, create a “Section 1” component for an HST-level proposal.

GUIDELINES:

- Use a descriptive heading (not “intro”/ “background”)
- 2-3 paragraphs:
 - Explain/Justify “the Facts” stated in abstract
 - State the role of HST/etc in establishing these facts **and/or** explain the importance of “the Facts”
 - Introduce the “Problem”
- Last (1-2) paragraph(s): Summary
 - State the GOAL
 - State a summary of the strategy and that this will fix “the problem”
 - Big picture statement/broader importance.

Add underlining or bold face for emphasis. Use qualifiers to convey urgency and importance of the product.

Must include at least 2 references. Include a bibliography.

Less than one page, Times New Roman font, 12 pt. Double check your grammar.

Submit the edited abstract as well.
