

Assignment 7: Section 1

DUE Monday April 1st by 5 PM

- 1) Utilize the HST Template: <https://hst-docs.stsci.edu/>
- 2) Flush out Section 1.

Not to Exceed 1 page

- Use a descriptive heading (not “intro” / “background”)
- Complete 1-3 fact based paragraphs
 - One fact per paragraph
 - At least one reference per fact.
 - One fact should be the observatory/HST’s contribution to the narrative.
 - End each paragraph with the importance of each fact
- 1 Paragraph : Introduce the “problem” and explain why it is important and critical to solve **now**.
- Last paragraph: (to be expanded upon in the remainder of the proposal)
 - State the GOAL & the observation/analysis (“We propose” and underline)
 - State that the data will fix “the problem” by doing *blah*
 - Big picture statement to end it off
 - For AR: allude to new data products for community
 - Remember to stress the urgency.

- 3) Include a Bibliography
